In Support of LVH-Pocono*

**A Rich History and A Bright Future**

Since our founding in 1915 as the “General Hospital Auxiliary,” now the Auxiliary of the LVH-Pocono, we have been an integral support system for the hospital. For over 100 years our members have contributed countless hours of time and a variety of skills to raise awareness and funds to help the hospital achieve its mission to heal, comfort and care for our community

**Strengthen the Bridge with our Community**

The Auxiliary’s volunteer members are ambassadors for the hospital, partnering with individuals and groups in our community. Whether participating in annual Auxiliary events or building new community relationships, plenty of opportunities abound for new members to get involved in the LVH-Pocono family.

**Join Today and Make a Difference**

The Auxiliary is growing, and we would like you to join us. Both men and women are invited to become active members of the Auxiliary today. The success of the Auxiliary depends on the commitment and passion of its members. If you have a passion to give and the will to effect change in your community, the Auxiliary of the LVH-Pocono is a perfect fit for you.
